# Our Foundational Package & Collection of Inspirations

At Iberostar, we believe each wedding is as unique as the couple getting married. We firmly believe in asking you what you want instead of telling you what we have, as your wedding should be done your way and we are committed to making that happen.

We focus on versatility, enhanced sustainability, customization and crafting authentic moments to create the perfect experience. The Iberostar wedding team is a group of highly trained individuals, fully immersed and ready to guide and help you to create your dream wedding. Our promise is that no two wedding days will ever be precisely the same.

We even limit our weddings to no more than 2 per property each day so that your day is truly your day.
