This top-ten all-inclusive hotel has been completely refurbished with families in mind

Have you spent the last few months sprucing up your house? We have too. We have completely transformed the Iberostar Royal Andalus, one of TripAdvisor's top-ten all-inclusive hotels in Spain. The hotel has newly refurbished rooms (don't miss out on the family rooms!) and furniture, so come enjoy state-of-the-art luxury and bright spaces. The hotel boasts a new buffet and 'Kangaroo' baby area, as well as a Star Camp for the kids and plenty of other new features. And you know what? We've done it all using natural materials, recycling anything that can be given a new lease of life and avoiding any plastic.

See the results for yourself and enjoy the best access to La Barrosa beach, one of the best in Spain. It is recognised as an 'Ecoplaya' (green beach) and has been awarded a 'Q' for tourism quality. Visit the golf club and enjoy 36 holes designed by Severiano Ballesteros. This brand new hotel has it all. Why not be among the first to check it out?
