Sustainable architecture and state-of-the-art design in a luxury hotel

Did you know that Marcel Wanders' designs are exhibited in museums such as the Pompidou Centre and MoMA? Right on the seafront and just 10 minutes from Palma de Mallorca, the Iberostar Grand Portals Nous is an adults-only luxury hotel designed by Wanders, adorned with symbols and references relating to life.

The sofas, carpets, flooring, lamps and tables are the products of his creative genius. He has also left his mark in the themed suites for guests that love stars, tireless gamers and hopeless romantics. The unique 650 m² spa recreates a forest in which you will want to lose yourself forever. And in the gourmet Astir restaurant (offers certified sustainable fish), serving market-fresh dishes, the gastronomy is just as beautiful as the rest of the hotel.

Can we let you in on a secret that makes us very proud? Our hotel received an award for the best sustainable hotel in Spain. We look after everything and everyone.

A 5-star hotel to be enjoyed in style

Soak up the Mediterranean atmosphere of this hotel named after the Llaut, a traditional Majorcan fishing boat. Relax in the 1,300 m² spa, enjoy the interior vertical gardens or book a Star Prestige room in the adults-only area, with an exclusive sun terrace with Balinese beds.

Our recommendation? Head up to the rooftop and enjoy sea views while dining in the excellent Katagi Blau restaurant, which serves Asian fusion gastronomy you cannot miss out on. The Island Summer Pass regime is the novelty: A new All-Inclusive concept for you to explore the island and enjoy the gastronomy of our hotels in Mallorca.

Enjoy and play some sport beside the Mediterranean Sea

Just 5 minutes from Playa de Palma beach, Iberostar Cristina is a hotel in which the whole family will feel relaxed and cared for. Did you know that Majorca is considered a Mecca for cyclists? With temperatures that never drop below 15 degrees in autumn and spring, and its infrastructure and network of routes, it's no wonder. And that's not all! Our Aliveness philosophy reconnects you with your body and well-being. Experience everything from professional trainers, spinning classes and yoga classes on the shore to a balanced nutrition programme and treatments at SPA *Sensations*.

Iberostar Cristina offers plenty of other ways to get back to the best version of you: tennis, football, padel, or swimming in our outdoor heated pool, or going for a long walk on the beach. Enjoy our very own vegetable allotment and some of the gardens, which are maintained using a composting system. Take care of the environment with us and take care of yourself with an unforgettable all inclusive stay. A tip? Don't miss the show cooking at Els Molins restaurant.
