## A 5-star hotel to be enjoyed in style

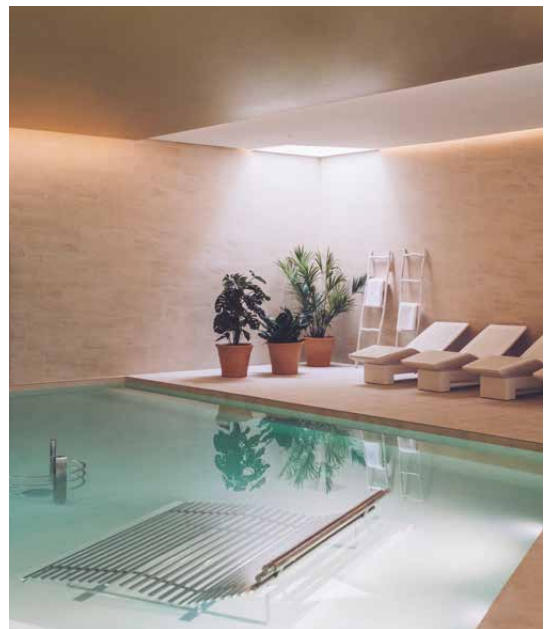

Soak up the Mediterranean atmosphere of this hotel named after the Llaut, a traditional Majorcan fishing boat. Relax in the 1,300 m<sup>2</sup> spa, enjoy the interior vertical gardens or book a Star Prestige room in the adults-only area, with an exclusive sun terrace with Balinese beds.

Our recommendation? Head up to the rooftop and enjoy sea views while dining in the excellent Katagi Blau restaurant, which serves Asian fusion gastronomy you cannot miss out on. The Island Summer Pass regime is the novelty: A new All-Inclusive concept for you to explore the island and enjoy the gastronomy of our hotels in Mallorca.

## A romantic getaway in an idyllic enclave with sea views

You simply must stay in a suite with sea views at the Iberostar Selection Jardín del Sol Suites. Do you know why? Because every single room is a suite and they all have sea views. This hotel designed for adults, located in a peaceful area of Santa Ponsa Bay on the Mediterranean shore, guarantees a relaxing and romantic stay.

Enjoy our swim-up suites with indoor and outdoor jacuzzi, so you can gaze over the Costa de la Calma from your terrace. Our recommendation? ## An excellent 5-star hotel renowned for many reasons

Can you imagine why Iberostar Selection Anthelia is one of the most highly awarded hotels in Spain and Europe?

Perhaps it is because of its location, on the seafront overlooking one of the best beaches in Tenerife. Or maybe it is because of its 4 restaurants, which, for 7 consecutive years, have won the best all inclusive in Spain. It could be because of its excellent family-friendly facilities, with rooms designed to enjoy ocean views. Or maybe it's because of our Star Camp with impressive facilities and endless activities for the little ones. Although possibly the answer is also found in the 2,000 m<sup>2</sup> of swimming pools, the fully-equipped Spa, the two fitness centres, the space, the gardens and the hotel's thoughtful decor that reproduces a Caribbean resort... What do you think?

## A top 5-star hotel to enjoy the beach all year round

Did you know that the humid, semi-circular walls of volcanic rock that naturally protect the vines in Lanzarote are called ‘zocos’?

Iberostar Selection Lanzarote Park, whose construction was overseen by the famous artist César Manrique, represents in its design the shape of 3 zocos that look out over a spectacular ocean view, right on the Playa Blanca seafront. In 2022, this 5-star hotel was the best All-Inclusive in Spain according to TripAdvisor: its 2 restaurants and 5 bars include a food truck and sports bar that caters for the most discerning palates. The kids will enjoy the tailor-made water park, with volcano included. And if you are travelling as a couple or with friends, our Star Prestige service offers you outstanding rooms, exclusive services and access to reserved areas.

Our recommendation? Timanfaya National Park is located just over half an hour away from the hotel. Don't miss it!

## Enjoy the ocean during the day and the stars at night

Do you need a good rest? Sink into the sand and gaze out at the expansive Jandía Beach.

Your only effort will be choosing between the sea or the heated pool, the sun or the starry night, the sauna or a massage, the local gastronomy in the buffet or the Japanese restaurant on the beach. If you can't decide, you can also try a bit of everything, especially if you're ready to join Star Prestige, the service that gives you access to exclusive areas and the best room availability.

Rest for both the body and the mind. The lifestyle that we offer, in the unparalleled nature of Fuerteventura, will have you back to your best form.

Did you know that many sailors dreamed of crossing the Atlantic to America from the beaches of the Algarve? Iberostar allows you to gaze at the same sunset that fascinated those adventurers from a 5-star family hotel located on the sweeping Praia de Mera beach, just 4 minutes from the historic city of Lagos.

Iberostar Selection Lagos Algarve is an impressive ocean lookout with luxury services. Enjoy its 4 swimming pools - one of which is heated - or relax in the intimate ambience of the fully-equipped state-of-the-art spa. The all inclusive service will introduce you to the renowned Portuguese gastronomy based on excellent ingredients taken straight from the sea. Two things you simply mustn't miss: seeing how cod is cooked at our Buffet-Showcooking and travelling to Lagos by the train that departs from the hotel's entrance.

## A world of fun with a wave pool and lazy river in the thousand-year-old Caribbean

Did you know that our Star Camp play area is made from more than 6,500 kg of recycled plastic?  
This is equivalent to 32,000 five litre bottles and accounts for the wood from 65 trees!

Our priority is the planet and you. With this in mind, our seafront hotel located in the ancient Caribbean boasts a wave pool that's safe even for the smallest members of the family. What's more, there's a lazy river pool where you can relax as the current of the water guides you, plus, 5 more pools for you to enjoy!

A piece of advice? As difficult as it is to leave the hotel, don't miss out on the trip to the Mayan city of Tulum, just a short one hour's ride away.

## Let yourself be swept away by the Huichol culture at the Playa Mita

There's no better way to really get to know a place than immersing yourself in its culture. With this in mind, Iberostar Playa Mita was designed and constructed using only local materials, ranging from quarry stones, marble and parota wood, to welcome you into the heart of one of the most vibrant Mexican cultures: the Huichol.

We invite you to experience nature on an intimate journey, with all-inclusive services and the Pacific ocean at your feet. Discover the benefits of the Aliveness programme with holistic care, including an array of sports activities and a comprehensive catalogue of SPA *Sensations* treatments. Sharpen your concentration and aim on the golf course designed by golf champion Greg Norman, and be all ears to the many stories your children will tell after their fun-packed day at Star Camp.

And one thing you can't miss is the jewelled Jaguar head decorated with pearl beads that takes centre stage in the hotel lobby. Over 6 cubic metres in size, this largest ever piece of Huichol art took two and a half months to make by a team of 6 artisans.

## **A hotel where you can enjoy the sea and its wonders, and take care of it too**

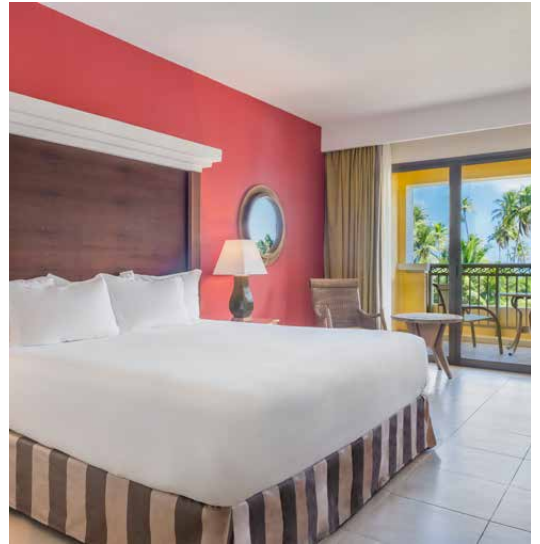

Did you know that Praia do Forte is one of the best examples of eco-tourism in the world? The area is home to five of the world's endangered sea turtle species and Iberostar has a plan to protect them.

Our complex offers you the chance to go to a marine reserve and visit a turtle watch station. Meanwhile, you can discover the local gastronomy in one of the 6 restaurants and 5 bars, enjoy 5 pools, indulge in a spa session or pamper yourself with our Aliveness programme. If you prefer, you can play golf at our 9-hole golf course designed by P.B. Dye. Everything is in the same place, because connecting with your inner self and with the environment should go hand in hand!

Iberostar Selection Miraflores

## Lima: colonial history and avant-garde design

Are you looking for a complete vacation? Just saying the word “Lima” instantly takes you back to its pre-Columbian past, to its more than six hundred colonial monuments and the limitless nuances of Peruvian gastronomy.

In the Miraflores neighborhood, one of the most fascinating and dynamic areas of the city, you can walk the promenade that passes along the edge of a cliff like no other. From this extraordinary vantage point, the Iberostar Selection Miraflores features a rooftop with a pool and lounge bar surrounded by windows offering you exceptional views of the Pacific Ocean. In addition to the fitness center and Spa, which includes a sauna, you'll be able to enjoy our specialty restaurant to add the finishing touch to a day of full emotions.

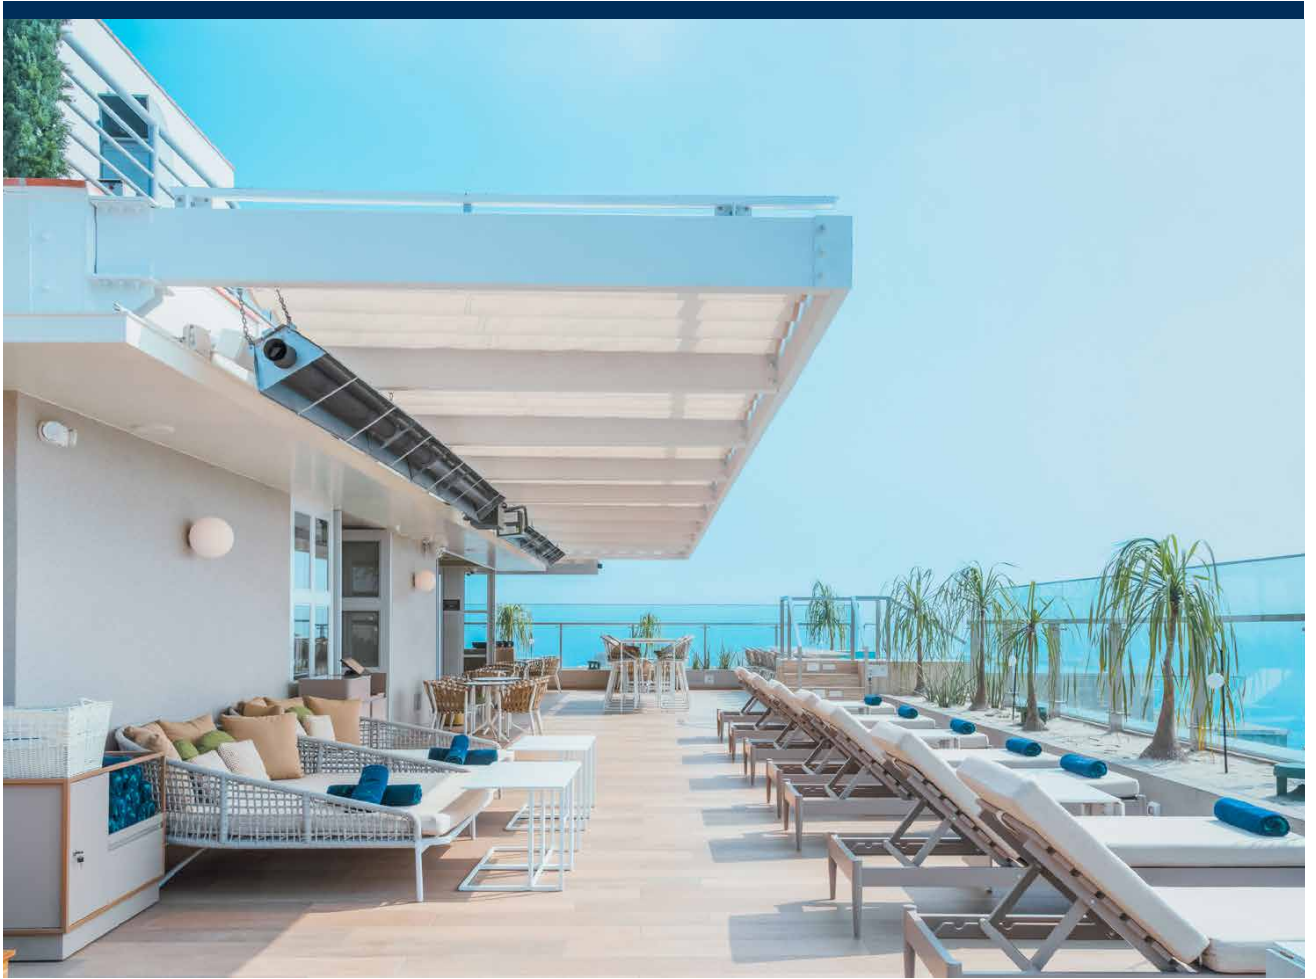

Along with its bold interior design, what stands out the most in the hotel is the lighting with large windows giving you the opportunity to contemplate the city from a one-of-a-kind point of view: the Iberostar point of view.
