

Your Tee times awaits at Tierra del Sol by Iberostar

Stand on each tee box and imagine the vision of famed architect Robert Trent Jones II as he masterfully sculpted 18 beautiful holes of championship golf combining the elements of wind, sea, and earth in perfect harmony.

Golf Digest described the course as playing Scotland, Arizona, and the Caribbean all at once. Whether you are a novice or avid golfer, you will find the sensation of golf here truly exhilarating.

Four sets of tees per hole provide a variety of approach angles and challenge. The facility also features a full-length practice range, putting greens and chipping areas.

The green fees include shared golf cart and use of driving range prior tee time.
