The bonus cash is available for programs booked through 2026 and valid only for groups in Mexico, the Dominican Republic, Jamaica and Aruba. The repeat program must be completed within two years, no later than December 20, 2030. If the repeat program actualizes less than the first contracted group program, the bonus cash will be based on the lesser program. The bonus cash is based on the end-user company who is operating the program with Iberostar, not a third-party intermediary. If the company decides to not use the same third-party intermediary, it will be up to Iberostar Beachfront Resorts to verify, at the time of contract, whether the bonus cash applies. The bonus cash is not an override commission and cannot be applied to the master account for Food & Beverage extras. The bonus cash is not applicable to buyouts where a special price is negotiated.
