Discover the paradise of the legendary Pirates of the Caribbean

Did you know that in addition to its stunning beaches, Puerto Plata is home to a colonial city and a 16th century fort built for the defence of the territory against the Pirates of the Caribbean?

At the Iberostar Costa Dorada you'll discover exactly why these pirates pursued this piece of paradise... designed with families in mind and nestled among nature, the hotel overlooks an award-winning beach and is a mere 10 minutes from the city centre. Try your hand at an array of sports activities, including three outdoor pools, a fitness room, tennis courts and archery. Pamper yourself at the hydromassage pool or the brand new SPA *Sensations* sauna and savour delicious flavours at a choice of three à la carte restaurants.

Our tip? Discover the depths of the ocean on an adventure with our Diving Centre.
