

A luxury hotel for a unique destination

Did you know that Jamaica's beauty and exotic feel have enticed many famous personalities and actors to its shores, including the Queen of the United Kingdom, Errol Flynn, Beyoncé and Paul McCartney?

This adults-only hotel, on the seafront of Montego Bay, provides a butler service for the ultimate luxury experience. This is your perfect opportunity to disconnect and indulge in a treatment from the SPA *Sensations*, which you can enjoy in the privacy of your suite or right on the seashore. You can also discover local or international gastronomy in one of the 5 restaurants and 4 bars, including a Swim Up bar.

A piece of advice? Visit the untouched beaches in the south of the island and discover the many uplifting Jamaican musical rhythms..
