Did you know that the turquoise color of the Caribbean Sea is unique in the world?

This is due to its cleanliness, depth and the laws of physics. There's nothing like it elsewhere. Check it out for yourself at Iberostar Selection Bávaro, where you'll stay at a 5-star hotel, with a walking distance of Bávaro Beach's 9 miles of white sand.

There are rooms for the entire family at this unique resort, set up as a Caribbean town nestled among tropical gardens. Keep yourself in shape at our sport facilities, which include a two-floors fitness center. Enjoy over 12 dining options, and visit our Spa Sensations with several massage rooms.

Let the kids have fun at our Star Camp, which offers endless activities, while you make the most of our 18-holes golf course—the best in the area—designed by P.B. Dye.
